YOUR AFFORDABLE HOME CARE SOLUTION

SETX Home Care is the ideal solution for elderly or disabled individuals who would like to continue living with the independence they are accustomed to.

Our services enable our clients to recover and remain in the comfort of their own home.

Our goal is to make everyday life easier by performing many of the tasks that have become difficult or tiring. Evenmore, our programs are customized to meet our clients needs.

Providing at-home care services to senior citizens throughout Southeast Texas is my passion. Please contact us if you would like to learn more or schedule a complimentary in-home evaluation.
